## DIVISION OF MUNICIPAL ACCOUNTING
## STATE TAX COMMISSION

Concord, New Hampshire

December 11, 1957

Board of Selectmen
Dunbarton
New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Dunbarton which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

> "Audit on Motion of Commission. The commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit."

This audit covered the fiscal year ended December 31, 1956, and the period from January 1st to October 31st, 1957. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

Section I —Fiscal Year Ended December 31, 1956
Section II —Period January 1st to October 31st, 1957
Section III—Statistical Table—Ten Year Statement of Indebtedness, Valuation and Taxes

### *SCOPE OF AUDIT*

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax

Collector, Town Clerk, Trustees of Trust Funds and Library.

## *FINANCIAL STATEMENTS*

*Comparative Balance Sheets—December 31, 1955—December 31, 1956:* (Exhibit A)

*Analysis of Change in Financial Condition:* (Exhibit B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

*Decreases in Net Debt*

| | | |
|---|---|---|
| Long Term Notes Paid | $2,500.00 | |
| Deficiency Appropriation | 1,680.85 | |
| Collector's Excess Credits | 27.00 | |
| | | $4,207.85 |

*Increases in Net Debt*

| | | |
|---|---|---|
| Net Budget Deficit | $2,443.62 | |
| Increase in Accounts Payable | 87.00 | |
| Yield Tax Abatement | 10.00 | |
| | | 2,540.62 |
| *Net Decrease* | | $1,667.23 |

*Comparative Statements of Appropriations and Expenditures —Estimated and Actual Revenues:* (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1956, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of $5,341.03, less a revenue surplus of $2,897.41, resulted in a net budget deficit of $2,443.62.

*Summary of Receipts and Expenditures:* (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of October 31st, 1957.

## *AUDIT PROCEDURE*

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

## *GENERAL COMMENTS*

*Indebtedness, Valuation and Taxes:*

Table I presents a ten year statement of Indebtedness, Valuation and Taxes. It will be noted that during the per-

iod from December 31, 1946 to December 31, 1956, the Net Debt increased from $5,775.22 to $11,132.79.

During the same period the assessed valuation of taxable property increased from $604,373.00 to $1,023,934.00, or 43%, while the amount of the annual tax levy increased from $35,053.43 to $56,930.73, or 34%. The local tax rate decreased from $5.80 to $5.56 per hundred, compared to the average tax rate for the State which increased from $3.47 to $4.83 during this period.

*Current Deficit:*

It is noted that the current deficit (excess of current liabilities over total assets) increased by $832.77, from $10,-300.02 to $11,132.79, during 1956 as shown herewith:

| | *December 31, 1955* | *December 31, 1956* |
|---|---|---|
| Current Liabilities | $39,540.05 | $30,655.51 |
| Total Assets | 29,240.03 | 19,522.72 |
| Current Deficit | $10,300.02 | $11,132.79 |

It is further noted that in the tax levy of 1957, there was raised the amount of $8,000.00 in addition to the regular budgetary items. This appropriation was voted at the special town meeting of January 10, 1957. An appropriation in the amount of $5,000.00, was also made at the annual meeting in March 1957 to pay an outstanding temporary loan of like amount. Thus it will be seen that actually deficiency appropriations totaling $13,000.00 were made and raised in 1957. This should be sufficient to entirely liquidate the current deficit and enable the Town to end the current year of 1957 in a surplus position.

*Tax Accounts:*

The Tax Collector should adopt the use of the standard

form of tax sale record book for recording tax sales and redemptions made therefrom.

Tax payments made between the date of advertising and the tax sale should be recorded as "taxes collected" rather than "redemptions" from tax sales.

Partial payments on "redemptions" should be remitted to Treasurer as "redemptions from tax sales" rather than "tax collections."

Unpaid poll and head taxes should be included in the amount for which a taxpayer's real estate is sold.

When the Collector receives a check from the Town in payment of taxes which the Town buys at the tax sale, the proper accounts in the warrant book should be credited and the amount of taxes, interest and costs to date of sale entered therein. The check should be remitted to the Treasurer as "taxes collected", indicating the year of levy and showing separately the amount of taxes, interest and costs.

Yield tax deposits should be made to the Selectmen and turned over to the Treasurer to be held in escrow until such time as the tax is assessed and then given to the Tax Collector.

*Town Well:*

It is noted that all income (water rents) derived from the Town Well is turned over to the Trustees of Trust Funds to be placed in a Capital Reserve Fund. This is in accordance with a vote of the Town. Provision should therefore be made in the budget for an appropriation to cover the cost of maintenance of the well.

*Conclusion:*

The provisions of Chapter 184 of the Laws of 1955 require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in

the next annual report of the Town. The inclusion of Exhibits in the published report is optional with the Board of Selectmen.

We extend our thanks to the officials of the Town of Dunbarton for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler

Board of Selectmen

Town of Dunbarton, New Hampshire

Gentlemen:

The finance committee wishes to submit the following report for inclusion in the forthcoming town report:

The Dunbarton finance committee established under the last article of the 1957 warrant for town meeting reports that twelve meetings have been held, with an average attendance of six members.

The first two meetings were devoted exclusively to organization.

Three meetings with the selectmen and two with the school board were held principally for general review and discussion of finances and budgets.

One meeting was held at the request of the selectmen to assist them in the preparation of recommendation for the special town meeting held in November, 1957.

In considering both the school and the town budget, the committee recommended a review of fire insurance coverage on town buildings and the center school, and liability coverage on fire trucks. The committee considers the present coverage to be considerably below realistic present day values.

The committee has reviewed in detail both the school budget for 1958-59 and the town budget for 1958 and considers both to be reasonable and in order. The committee recommends through an article in the town warrant for the 1958 town meeting that the town continue an orderly process of laying aside a sum of money (at least $100.00) to be placed in the Capital Reserve Trust Fund for Town

Equipment, since the town grader is approaching the end of its useful life.

The Library Trustees were saddened by the death of the Librarian Mrs. Emma Dudley. Her death was a loss to the community as well as to her family and friends. We, the trustees wish to thank her friends for the gift in her memory.

The services of Miss Phoebee Crawford as librarian have been secured by the trustees and we feel that we have been most fortunate in so doing.

Due to the many friends of the Library who gave their services as librarian or janitor during the periods when

these positions were vacant we were able to keep the Library open.

With the permission of the school board and teachers and the cooperation of the P.T.A. volunteers the library has been able to be opened for the use of the school children twice each month.

## DUNBARTON VOLUNTEER FIRE DEPARTMENT INC.

Your Fire Department responded to 13 alarms in 1957, as compared to 15 in 1956 and 15 in 1955.

Our responses for 1957 are listed below.

| | |
|---|---|
| 1-21 | Melvin Clark |
| 1-25 | Joseph Dulude |
| 2-8 | Cyrus Wheeler |
| 2-13 | Melvin Clark |
| 4-13 | Plugged Culvert near Audets |
| 4-21 | Town Dump |
| 4-21 | Leon Palmer |
| 5-10 | Forest Fire at Pages Corner |
| 5-13 | Town Dump |
| 9-15 | Morris MacIver |
| 9-28 | Holiday Haven Acres (S. Joseph Gangi) |
| 10-18 | Charles Williamson |

The responses to the Town Dump were for standby duty while the edges were cleaned up by burning. The response on 4-13-57 was to see if we could clean a Culvert without having the town go to the expense of removing and replacing it.

Some improvements have been made in the Firehouse and to the equipment. A new suspended power oil burner has been purchased and we expect to have this installed in the near future. A Siren for mounting has been purchased for the exterior of the Fire House. Some small repairs were made to Brush Truck.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Dunbarton:

I hereby submit my annual report as Superintendent of Schools in Dunbarton.

### *Enrollment*

The current year opened with a slight increase in the total enrollment in our Center School. We did experience difficulty in our arrangement of grades in the three rooms, but such a problem is bound to exist with three teachers to cover eight grades. Our projected enrollment figures for the years immediately ahead show slight increases each year, but no problem is anticipated other than previously mentioned.

### *Teaching Staff*

Mrs. Alfa Bourey, who for the past two years served as teacher in the intermediate room, retired from teaching in June. We were fortunate to secure the services of Mrs. Olive Draper of Goffstown.

### *1958-59 Budget*

The budget proposed by the School Board for your consideration at the Annual Meeting calls for an amount approximately equal to our current budget. Although tuition rates continue to rise in our neighboring high schools, we anticipate a reduction in the number of pupils in high school next fall, and for that reason the item for tuition is slightly less than a year ago.

The item for teachers' salaries has been increased. Each year the salaries of beginning teachers continue to rise, and it seems only just and right that the salaries of the established teachers be increased accordingly.

Many School Boards in this area have followed a salary schedule in determining teachers' salaries, giving recognition to training, experience, and successful performance. The Dunbarton Board has given considerable thought to a proposed schedule, and the salary budget item reflects its collective thinking.

This year we do not anticipate the need for a "Deficiency Appropriation". Certain items in our current budget will show unexpended balances, which sums should leave us solvent as of June 30th.

The inadequacy of General State Aid continues to be the major problem in school finance. As has been pointed out in previous Town Reports, the amount of state funds allocated to the towns has not kept pace with the increases in population and school costs. Dunbarton this past year lost its share of such funds, and the entire budget had to be met by local taxation. The same situation will be present this coming fiscal year. What changes or increases are made in State Aid in the next session of the General Court rest heavily on the attitude of the residents and legislators of such towns as Dunbarton. Certainly if we are to create and maintain adequate schools for our children, we must have income other than that available at the local level.

Respectfully submitted,

LEWIS F. FOOTE,
*Supt. of Schools*

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

Thos. J. King,
District Fire Chief

*Forest Fire Prevention is Everybody's Business*

New Hampshire faces a continuing challenge in its forest fire problem—97 percent of all our forest fires being man-caused and preventable—a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires—all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort—The rules are simple.

1. Don't burn at home—use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.
3. Be sure that all lighted material—cigars, cigarettes and matches—are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

*REMEMBER* — the fire you prevent might be the one which could burn YOUR property.

*REMEMBER* FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING
